I tried to speak to Co. S. Watson before he can take my Food away from the block Fox, that he respond with threats when I'm tryng to explaine to him the reason he can not take my Ramadan Food away, But he wouldnt listen but to him self He dump all the ice that I keep for the milks not to go bad that I endup throwing them away and the rest of the Food that I cant eat keep with out ice.

On August 13, 2012, at approx 8:35 AM Co S. Watson againe estorne to the churchall ~~been~~ land and disrespectfull tryng to retric my rights to Practice a particular aspect of my religion, when he has no facts againe - In Islam, Ramadan could not be done everyday, you dont have to fast everyday if you dont want to. Maybe I'm sick that I need to take medications that allowed Food withted every four hours or two. I'm from the Sudan and Islam is my religion and the Chapel or Co. S. Watson do not know anything about Islam but to desepeted.

I would to put this issue on a Grievance Form for the reason states because it seem the Co-S. Watson hates muslims and disceeminate against by abusing his power in position of authority.

I spoke to L.T. Massen and L.T. Berwick this Day about having a Grievance Form that they tried to distract me from taking this issue further saying that I have no ground for Grievance Form. This is a violation of my civil rights and I want further review and throw the Paint at the hands.

the cell. While doing so, I try to speak to C.O. S. Watson before he can take my food from the block. He responded with threats when I'm trying to explain to him why he could not take my Ramadan food. And he did what he had to do. He called back to the Office and I find all my food in the floor mix with the rest of the trash.

On August 14, 2012, make correction on the date on the request slip yesterday. Approx. 8:30 C.O. S. Watson with harassment of inmate came to the chow hall been disrespectful and loud trying to restrict my right to practice a particular aspect of my religion when he has no facts. Not know what he's talking about. I was in a bad mood that I decide not to fast that day. Their 40 days of fasting, I'm dead to recover. That's the fact of Ramadan. People get sick sometimes they can take days off or not do it at all. C.O. S. Watson seems to enjoy been loud and disrespectful, that seems he like to discriminate.

E.T. Berwick and L.T. Massen took C.O. Watson's word and the Chapel that I should be taking off the Ramadan list, when all he knows that I was fasting and I want to chow. Fasting is not a force! Islam don't force anyone to fast, but it seems that these Officer want me and force me to fast when I'm not feeling good.

The Chapel is a Christian. That he doesn't know all the rules of Islam. And I don't expect him to know when he let inmates who Christian to be on Ramadan list when they don't even

For example: IF the Facility is feeding inmates Flapjacks, any inmate whos fasting would eat that meal for that Day. Every day we eat small portion of meals, Frozen and uncooked. For that reason, I lost almost Ten pound due to been hungry every nights.

On August 13, 2012, I was ~~confronted~~^{attacked} by C.E. S. Watson at chow hall him been disrespectful and loud trying to restrict me my rights to practice a particular aspect of my religion, when he has no rights. I was rushed from the chow hall to L.T Berwick and L.T. Masry for questions about my religion. I was ask what my name meant in Islam, how many time we should pray, that seem more like an interrogation and I ask them to stop. Then I asked for a Grievance form for further review by the Warden. I was told that I have no ground for Grievance by both L.T.s. After I spoke to the Warden throw request slips, I was given a Grievance form. direct order from Mr. Reilly.

The Warden Edward Reilly responded to my issues with no solution, like everytime, due to his lack of understanding of inmates issues and his incompetent Staff. it seems like its inmates v. Staff, whatever inmates have an issue, it seem like a joke to the Staffs. They took me off the Ramadan list even before they spoke with the Chaplain.

I was not allowed to fast anymore.

This Facility has a long history of bad tendency against muslims and their rights.

A United State preliminary injunction was filed in the Eastern District Federal Court On or about August 15th, 2007, reckless and callous indifference to the Federally protected rights as the Constitution the First Amendment. A muslim inmate house at the Northern Correction Facility about muslims servicers, due to the pressure, the administration appointed a new paid volunteer staff, Religious Coordinator Mrs. Dana Hoyt. And she allowed Muslims worship to continue. After ~~for~~ two years, Mrs. Dana Hoyt left for some reason unknown, then Chaplain Hoyt who seems like brother of Dana Hoyt, he was appointed, despite his incompetency till this day. He did not provide inmate with a healthy habitative environment. During Ramadan Chaplain Hoyt did not provide nutritionally adequate food that is prepared and served under condition that is should be. Ramadan Food in this facility present an immediate danger to the health and well being of the all inmates who consume it, For example; something called bird seeds, that is dry mixed with rocks. and it given to inmates who's fasting Ramadan everyday. Any muslim inmate can not participate in any other religion such as Christmas party and Christmas package were inmates gets useful, healthy food and other things that this

Facility don't sell in Canteen. The warden and the Chaplain deliberately indifference permitted the Constitutional abuses to continue unchecked till this Day of muslims.

The Northern Correction Facility terminated groups meeting and disallowed the continuance of Muslim worship as well for unknown reason.

The Muslims worships should continue to be protected by State and Federal Constitution and assured by all under color of the law of the land and those in direct violation of said Right to Freedom of Worship is cause in chief.
